

HOSTING A “SPIRIT MAPPING” EVENT

Participants

Nine eager astro-travelers (not including Leland and Christine)

We ask that the host has an expectation that they will be able to attract at **9** participants from friends etc.

Requirements

The host is offering **clear floor space** at least **12’ by 12’** with room around the outside for 11 participants and facilitators to sit. Plus:

- A small table for electrical equipment and nearby power outlets.
- We will need to project images: the easiest way is onto a clear wall.
- Bathroom necessities
- Opportunity to make hot and cold drinks
- Snacks

Any other meals such as lunch will be the responsibility of participants either at local restaurants or to be bought in from a local deli.

Participants will stay locally. The host may be required to offer suggestions of nearby hotels etc.

This is a very deep experiential event with group participation. We therefore ask that any distractions are kept to a minimum especially in respect to telephones, pets and even children. As the space being offered is often a home, we understand if these requirements exclude you from hosting an event.

Costs

The fee for each participant is **\$550.00** which includes a MP3 recording of the participant’s session in their own natal chart.

A place on the seminar is only secured when a non-refundable deposit of **\$200.00** is received.

Registration

Via www.christinepage.com or by sending a check for **\$200.00** payable to Frontiers of Health to 13315 Slateridge Place NE, Albuquerque, NM 87111

Host fee

The fee paid by the host will be **\$260** with a reduction by \$25 for every participant he/she enlists to a maximum of $8 \times \$25 = \200 . A deposit of \$200.00 from the host is required up-front to secure the date. This is non-refundable if the event is cancelled either because the minimum of 8 participants was not met or the host decides to cancel. Monies will be returned to the host at the event based on the number of people they enlist.

Costs for Facilitators

Leland and Christine cover their own costs for travel, accommodation and meals.

Hours: *Seminar requires 18 hours (excluding lunch breaks)*

How this timing is achieved is dependent on the needs of the host and participants.

Eg.

Most Popular: Friday evening 6-9pm, Saturday all day (9-6pm) and 9-4pm.

Or: Friday from 12 noon - 6pm, Saturday 9-6pm, Sunday 9-1pm

Or: Tuesday evening 6-9pm Wednesday all day (9-6pm) and Thursday 9- 4pm.

Or: 3 days 12-6pm

Due to the nature of the inner work, it's advisable to treat this seminar as a retreat with participants not trying to work between sessions although this is not imperative or always possible.

Advertising

The best advertising is word of mouth. We are happy to advertise from our mailing list to the local area. We can supply a generic flyer to be sent to the host's mailing list.

Charts

All participants, including the host, are required to submit birth details with birth location (including the hospital if possible), the date and exact time under the tab 'Contacts' on www.christinepage.com at least 2 weeks before the event.

Without this information, any participant will not be able to take part in the seminar.

Thank you for generously offering this sacred space; Christine and Leland
